Diversity Policy

1 Diversity at the Company

1.1 Our commitment

This policy sets out the Company's commitment to diversity and inclusion in the workplace at all levels and provides a framework to achieve the Company's diversity goals.

We are committed to creating and ensuring a diverse work environment in which everyone is treated fairly and with respect and where everyone feels responsible for the reputation and performance of the Company. The board of directors of the Company ("**Board**") and management believe that the Company's commitment to this policy contributes to achieving the Company's corporate objectives and embeds the importance and value of diversity within the culture of the Company.

Diversity can broaden the pool for recruitment of high quality employees, enhance employee retention, improve the Company's corporate image and reputation and foster a closer connection with and better understanding of customers. It is important that the Company is able to attract, retain and motivate employees from the widest possible pool of talent.

- (a) We strive to recognise and celebrate our multicultural diversity and grow our workforce and management to reflect the diversity of our population.
- (b) We aim to provide opportunities that allow individuals to reach their full potential, irrespective of an individual's ethnic or cultural background or gender.
- (c) We aim to develop and promote a workforce based on inclusion where individuals are respected, supported and provided with appropriate opportunities.
- (d) We recognise the differing needs at different stages in life, eg study, family responsibilities and retirement. Therefore we endeavour to support and accommodate individual changing life needs so that our employees reach their full potential. All contribution is valued across all generations.

1.2 Who this policy applies to

This policy applies to all directors of the Board, as well as all other officers, employees, contractors, consultants and associates of the Company. It is essential that you are familiar with this policy, which is available on the Company's website.

1.3 Implementation

The Board has delegated to the Nomination Committee ("**Nomination Committee**") the role of overseeing the implementation of this policy and assessing progress in achieving its objectives. See paragraph 3.2 ("**Nomination Committee**") below.

2 What diversity means to us

2.1 What is diversity?

Diversity refers to characteristics that make individuals different from each other. Diversity encompasses differences in backgrounds, qualifications and experiences, and also differences in approach and viewpoints. It includes factors such as gender, age, disability, ethnicity, marital or family status, religious or cultural background, sexual orientation, gender identity, sexual preference language and other areas of potential difference.

2.2 Gender diversity

The Company has a strong commitment to gender diversity and the fundamental principle that gender is not a barrier to participation in our workforce, management, senior executive and on our Board. Our leaders are committed to providing opportunities that allow women to reach their full potential.

To achieve greater diversity, it is important to ensure where possible that the pool of potential available talent is nurtured and developed effectively. Early identification and development of female talent is clearly of significant importance in ensuring that there are appropriately qualified and experienced women for consideration when positions become available. The Company aims to grow the number of women performing senior roles.

2.3 Board and senior executive diversity

At the Company, diversity of gender and background are 2 important criteria we take into account in developing our succession plans and appointment processes for our Board and senior executive positions. However, other selection criteria, in particular business acumen and industry experience, are also fundamentally important. The Nomination Committee will report to the Board regarding our succession plans and appointment processes with the aim of achieving our diversity objectives, in particular regarding the number of women in senior executive positions and on the Board.

2.4 Work and life balance

The Company embraces all employee differences also including lifestyle and believes in assisting employees to maintain a healthy and holistic balance between work, family, domestic responsibilities and other commitments, activities and interests.

2.5 Ability not disability

When we employ and promote people, we consider ability and not disability. We aim to create an inclusive environment that supports people and removes artificial barriers from the workplace.

2.6 Unacceptable behaviour not tolerated

In order to have a properly functioning diverse workplace, discrimination, harassment, vilification and victimisation cannot and will not be tolerated.

2.7 Stakeholder diversity

We respect shareholder diversity and diversity reflected in the communities in which we operate.
